# Stillman BANK

As Ogle County's leading community bank, we have been locally headquartered since our founding in 1882. We pride ourselves on offering the same products and services you expect from the big banks, but we do it with a friendly, hometown touch!

- **Six locations** throughout Ogle & Winnebago Counties
- **Locally owned & headquartered** since 1882
- We develop banking solutions **that fit your unique needs**
- **Local lending** - decisions, processing, and servicing
- Access to **40,000 surcharge-free ATMs** across the U.S.<sup>1</sup>
- In-house Trust & Wealth Management team allows for **local investment opportunities**

Voted Ogle County's  
**Best Bank**  
**Best Mortgage Lender**  
**Best Financial Planner**  
**Best Customer Service**

In addition to the products and services we offer, we provide support to numerous community initiatives through monetary donations, resources, and volunteer hours. At our core, we are a hometown bank sharing the narrative we have been promoting for over 140 years: the importance of bringing the "community" to community banking.

## City Ordinances & Policies

**Byron City Hall:** Byron City Hall is located at 232 W. Second Street. The City Services Office is open from 8:00 am to 4:00 pm Monday through Friday. You can reach the City Services Office, Building and Zoning, and the Office of the Mayor, City Administrator, and Elected Officials at 815-234-2762.

**Building Permits:** Building permits are required for any new construction or addition, re-roof, solar, street cuts, demolition, remodeling, decks, fences, pools, garages, sheds and more. Please contact City Hall before beginning any building project. Any utility contractors working within the Street R.O.W. will also need a permit. Permits can be found at [www.cityofbyron.com](http://www.cityofbyron.com).

**Burning:** Only the burning of yard waste (grass clipping, leaves, brush, etc.) is allowed in the open within the City. Such burning shall take place only between 6:00 am to 6:00 pm, April 15 through May 31, and October 15 through November 30, said dates being inclusive. No burning is permitted within 200 feet of a commercial building.

**Curfew:** It is unlawful for a person less than 18 years of age to be present at or upon a street, alley, sidewalk, parkway, park, playground or other public place, building or vacant lot at any time between the following hours: For persons under 17: 11:00 pm to 6:00 am on Sunday through Thursday, and 12:00 am to 6:00 am on Saturday and Sunday; For persons 17: 12:00 am to 6:00 am on Sunday through Thursday, and from 1:00 am through 6:00 am on Saturday and Sunday. The State of Illinois driving curfew for ages 16 & 17 is as follows: 10:00 pm to 6:00 am Sunday-Thursday, and from 11:00 pm to 6:00 am Friday and Saturday.

**Development:** All development within the City of Byron is controlled by the Development Control Ordinance, which was adopted in 2002 in order to ensure that all development within the City meets the strict industry guidelines for proper development and assures the most efficient use of the property. Developers packets are available for single site or larger scale developments and detail all fees, schedules and processes you may encounter.

**Dogs:** It is unlawful to permit a dog to run at large in the City. Dogs that are not leashed shall be deemed to be running at large. Owners are responsible for the removal of any waste from such animals in public streets, sidewalks, alleys, parkways and other public places. Dogs must be licensed with Ogle County Animal Control (815-732-1185).

**Even-Odd Parking Ordinance (Snow Removal):** A snow emergency shall exist when two or more inches of snow have accumulated. At that time, vehicles must be parked on the side of the street where the even-numbered building or house would be located or where the odd-numbered building or house would be located, based on the calendar date, from 7:00 am that day to 7:00 am the following day. Any vehicle in violation will be ticketed and may be towed at the owner's expense.

**Garbage Service:** Garbage pickup days are Tuesday for residents east of Colfax Street and Thursday for residents west of Colfax Street. Refuse should be at the curb by 5:00 am. Recyclable materials will be picked up on the same day as your regular refuse. Garbage fees are included on your monthly water bill; senior citizens receive a discount.

**Grass:** Grass and weeds must be kept less than 8 inches in height. Grass clippings are not to be blown into the street. Clean up will be required.

**House Numbers:** All residences and buildings must have house numbers at least two and one-half inches in size in place so that they are visible from the street.

**Inoperable Vehicles:** It is unlawful for anyone in the City to keep, store, maintain or otherwise retain on either public or private property, in open public view, any inoperable, partially dismantled or "junk" vehicle.

**Parking on Lawns/Yards:** Parking is prohibited on any lawn or yard, unless on a paved surface in the side or rear yard of the premises, with an exception for periods of less than 24 hours when the vehicle is parked for purposes of exterior home maintenance.

**Parks:** Shelters are available for public use at Byron Park District owned parks by calling 815-234-8435 to reserve a date. Liquor is not allowed in parks.

**Peddlers and Solicitors:** Anyone wishing to engage in business as a peddler or solicitor in a residential area of the City is required to obtain a permit from City Hall.

**Pools:** Ordinance requires that pools which are less than 48 inches in height be surrounded by a fence of at least 4 feet in height. A permit is required when a pool or hot tub is erected. Please contact the Building and Zoning Department (234-2762) if you have questions.

**Snowmobiles:** The City has a designated snowmobile route for access in and out of the City. A \$100 fine will be assessed to any person who unlawfully operates a snowmobile off the designated route. Snowmobiles may only be operated in the City between the hours of 7:00 am and midnight. Snowmobiles may not be driven on private property without permission from the property owner.

**Utility Vehicles:** Any person over the age of 21 may operate a utility vehicle in the city limits. A permit from the Byron Police Department is required and owners must have proper safety equipment, proof of insurance, and follow the Illinois Vehicle Code. Hours of operation are from 6:00 AM to 11:00 PM.

**Traffic:** Unless otherwise posted, the speed limit in all residential areas in the City is 25 MPH. The speed limit in the downtown business district is 20 MPH.

**Water Bills:** Water bills are mailed to residents on the 1st of each month and are due on the 15th of each month. A 10% penalty will be applied for late payments. Renters paying their own water bills are required to pay a \$50.00 deposit. Bills can be mailed, paid online, paid in person at City Hall, or dropped in the drop box outside City Hall. Direct debit is available at [cityofbyron.com](http://cityofbyron.com) or stop at City Hall or call 815-234-2762 for more information. **Go Green! Call Byron City Hall to register to have your monthly water bill emailed to you!**

### People Helping People

People Helping People is a non-profit food pantry that provides food for those in need and is located at the southwest corner of the Byron City's Municipal building at 127 N Washington. People Helping People food pantry is manned entirely by volunteers in an effort to improve the lives of those needing food assistance living in Byron, Rockvale, Marion, Monroe, Scott and Leaf River Townships. Please feel free to stop in on the second and fourth Monday of every month from 10 to 11 AM for food products. We are an outreach organization designed to help those during harder times.

If you or your organization are looking for an outreach activity, People Helping People is always grateful for the time and energy of volunteers. Food drives and donations are always welcome. Because of everyone's love and generosity, the People Helping People food pantry continues to serve those in need. For more information, please contact Ruth Ann Goelitz at 872-205-0799.

## Byron Lions Club 50 Plus Members Strong Serving the Community of Byron

Come join us for our monthly meetings. Meetings are held on the first Monday of each month at 7:00 PM at Jackson Adventure Seeds LLC. The membership is committed to serving the community, as well as providing aid to those with sight and hearing disabilities.

You can help the Lions mission by dropping off your unneeded eyeglasses, hearing aids, and cell phones at the drop-box at Byron City Hall. Our club supports many local, state, and national causes, such as scholarships, Boy Scouts, Girl Scouts, Miracle on Second Street, Easter egg hunt, Leader Dog School, and Rockford Center for Sight and Hearing to name a few. Community members in need of eye exams, glasses, hearing tests, and hearing aids also receive help through our club.

The Byron Lions Club raises approximately \$19,000 a year. Some of our fundraising activities for the club include: Rose Day, ByronFest, Night Golf Outing, and Christmas Tree Sales. These funds are used to help support the local community and our mission of sight and hearing.

Come join our 50 plus members in our mission. Share the experience of helping those in need & our local community by becoming a member of the Byron Lions Club. You can also like us on Facebook at Byron Lions

## Byron Police Department

The Byron Police Department is located at 232 W. Second Street. The administrative office hours are 8:00 a.m. to 4:00 p.m., Monday through Friday, and the phone number is 815-234-5000.

Always call 911 in the event of an emergency. To reach an officer for a non-emergency, 24 hours a day, call the

Ogle County Sheriff's Office at 815-732-2136. An officer will be dispatched to you or will speak with you via phone.

The Chief of the Police Department is Jeremy Boehle. The department is comprised of 1 Sergeant, 4 patrolmen, and several part time officers.

Jail facilities are at the Ogle County Corrections Center in Oregon, Illinois.

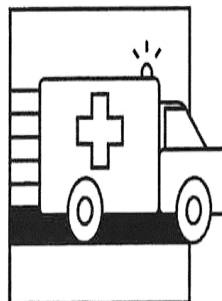

### *The Byron Area has enhanced 911 Service*

## In An Emergency - DIAL 9-1-1

Dial 911 in a police, fire, or rescue emergency. The emergency dispatcher will immediately send a police car, fire equipment or rescue vehicle on its way. Dial 911 anytime you are involved in, or witness an emergency situation.

### **When You Dial 911:**

- Speak slowly.
  - Give the dispatcher your name, address, and the address of the incident.
  - Follow the instructions of the dispatcher, exactly.
  - Observe the people involved and describe them in terms of weight, height, age, hair, eye color, and types and color of clothing.
  - If a vehicle is involved, get the number of the license plate, the color and make of the vehicle, and, if possible, a description of the driver.
- In a life-threatening or dangerous situation, do not delay calling in order to collect all of this information.***

# Byron Fire Protection District

123 Franklin Street P.O. Box 904

Byron, Illinois 61010-0904

815-234-4911 byronfire.com

The Byron Fire District was formed in 1956. The District covers 55 square miles and serves a population of about 11,500 people, which includes the city limits of Byron. A Fire Protection Class of four (4) in the City and a ten (10) in the rural area served by the District makes for the lowest fire insurance rates in Ogle County, and one of the lowest in Northern Illinois.

The Fire District is governed by an elected Board of Trustees. The 5-member Board consist of President, Christopher Logston; Vice-President, Gene Smith; Secretary, Sandra Beitel; Treasurer, Jeff Bain; Assistant Treasurer, Christopher Millard. The Board of Trustees appoints a three member Fire Commission. The 3-member Commission consists of Raymond Dyck, Gary Cunningham and Brian Fortune.

Under the leadership of Chief Andy Politsch, Byron Fire District employees an administrative assistant, civilian paramedic, and an accountant along with 45 firefighters and EMS personnel who respond to an average of 3.2 runs a day.

A state of the art training facility provides environmentally safe burn simulators mimicking real room settings and fire loads in a safe training environment. This makes for safe, repeatable evolutions taking better advantage of training time. Special response teams include hazmat, confined space rescue, vertical rescue, water rescue & recovery, and vehicle extrication. The department is also trained in handling radiological emergencies.

The public is invited and encouraged to visit the Fire Safety House built inside the fire station. The house consists of a living room, kitchen, bathroom, bedroom and garage. Each room has hazardous situations mimicked that the firefighters point out and explain. "Smoke" is emitted setting off the some detector and kids can check the door to find that it's hot and they must then escape the room by their second way out. This is the bedroom window, children open the window and climb out and are instructed to go to their family meeting place. "Knowing these hazards people can go home and check their house to make sure it is safe," states the Fire Prevention Officer, Andy Politsch. The house is available for group tours by appointment. Call 815-234-4911 to set up a time for your group to visit. The house is available during regular business hours for individuals. It's best to set up a time so adequate personnel are available to demonstrate all the amenities available.

The Fire District is very active in the Byron Schools with programs for kindergarten, first, second, fourth, seventh and eighth graders. CPR is taught to high school sophomores. Juniors and seniors are presented a fire/EMS program on Career Development. The District has special programs for senior citizens and will speak to any organization by request.

Every October we host our annual Open House which is geared towards fire prevention and general household safety issues. In addition, the Fire Safety House is open and welcomes visitors from 11 am - 3 pm. The entire family will enjoy learning about fire safety. Refreshments are served. Watch our website and reader board for details, typically it is the Sunday after Fire Prevention Week.

The Byron Firefighter's Association hosts a golf outing in May with all proceeds going towards a scholarship to a graduating senior(s) entering a fire or medical field. The Association also donates to several programs

in the area. Major Association fundraisers include: Kick-Off to Summer Carnival in May and car washes at the fire station on Sundays all year long. For an appointment call 815-234-4911.

## What Does That Siren Mean?

Monthly Test of Emergency Siren:

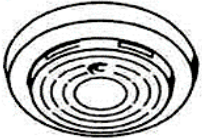

First Tuesday of each month at 10 AM Steady Tone

Steady Tone at Other Times: Denotes major emergency situation

Up and Down Tone: Severe Weather Alert  
Residents should tune to local TV/Radio Stations for information

## Smoke Detectors

### A Sound You Can Live With

**Why A Smoke Detector?**  
Most fires occur at night when people are sleeping. A smoke detector can alert you when there is a fire, in time to save your life. Smoke detectors work by sensing rising smoke from a fire and sounding an alarm.

**What Type Should I Buy?**  
**Where should smoke detectors be placed?**  
**How do I maintain my smoke detector?**

Answers to these and other such questions can be answered by calling the fire station (815) 234-4911 anytime.

We will also install your smoke detector(s), free of charge, to Byron Fire District residents. Detectors can be purchased at any hardware or department store.

**Our department is concerned for your family's safety !**  
**A Battery Exchange Program** has been in place for several years. A Byron Fire District Resident can bring in their worn out 9V smoke detector battery and exchange it for a fresh 9V battery at no charge. Just promise to re-install the battery before you go to bed that night. **WORKING** Smoke Detectors never sleep so you can!

Illinois State Law states that landlords must provide smoke detectors for their properties. In addition, every dwelling should be equipped with at least one approved carbon monoxide alarm in operating condition within 15 feet of every room used for sleeping purposes. They do make units which are both carbon monoxide detectors and fire alarms. These inexpensive devices could save your life. If you are unsure as to which unit to purchase, feel free to call us, 815-234-4911 and we will be more than happy to assist you!

# The Byron Museum of History: Preserving Our Past ...For Our Future!

*Located at the corner of Blackhawk Drive (IL Rte. 2) and Union Streets in downtown Byron. The Byron Museum of History campus includes the Lucius Read House & Byron Theater.*

## **Come and Learn Something New ...About Something Old!**

The Byron Museum & Theater is available as a rental venue and provides facilities for the preservation and display of historical artifacts related to the history of Byron Illinois, Ogle County and the surrounding area.

There is a permanent "Underground Railroad" exhibit in the historic Read House, which is a designated National Park Service "Network to Freedom" site. Visitors will also learn about Byron's early baseball connections, including information on early pro-baseball pioneer A.G. Spalding and Byron's own Bittner Bakery Girls. Children of all ages can run the train in our 1910 Byron model layout. Other galleries cover a range of topics including Victorian-era outhouse excavation and the legacy business district, school, agriculture and military histories of Byron, and various rotating and traveling exhibits.

The Byron Museum District has rehabilitated the Byron Theater, a local landmark with a large floor space that can accommodate programs and community events. The Theater is available now for private rentals.

Educational programs and annual events are open to the public at no charge, as well as a History Roundtable and coffee hour at 10:00 am on most Thursdays in the Spring and Fall. Find out more at our website and Facebook page.

The volunteer program is a fun and educational means for area residents to educate themselves on local and regional history while helping to preserve that rich history for generations to come. If interested, contact us for the various opportunities available.

## **The Byron Women's Club**

The Byron Women's Club is a community group open for any women aged 18 and older, regardless of race or religion, who wants to make positive changes in Ogle County. Byron Women's Club supports 13 organizations helping children and adults in our area, as well as giving an annual Women's Empowerment Scholarship for continuing education. The club has a luncheon with a guest speaker, usually the third Tuesday of each month.

For more information, call our membership chairwoman, Louanne Glisan at 815-275-2331.

## **Byron Forest Preserve District (est. 1980)**

### Jarrett Prairie Center Natural History Museum and Banquet Facility

The Jarrett Prairie Center opened in 1991. It was named after Dr. Robert M. Jarrett, one of the District's founders and the first board president.

The Center offers the ideal setting for any social and business occasion to include weddings, reunions, conferences, and retreats. Amazing views from our 2600-square-foot deck can be enjoyed during all seasons. Up to 150 people can be seated on the deck. The Museum will accommodate up to about 120 people. The newly remodeled Blazingstar Room on the lower level will hold up to 240 people. These areas are available for classes, lectures, workshops, and other activities. Picnic shelters and a playground located near the Center are also available to visitors.

The Center's Natural History Museum space boasts amazing views of the Jarrett Prairie Nature Preserve and more than 4,000 square feet of exhibits and hands-on learning opportunities for visitors of all ages. The exhibits include an immersive theater, large dioramas, fossil exhibits, prairie restoration information, and a prairie agriculture exhibit that lets visitors design their own farm. A glass enclosure is home to our native turtles.

Admission to the Jarrett Prairie Center Museum is free and it is open daily. For more information, call 815-234-8535 x200. Visit [www.byronforestpreserve.com](http://www.byronforestpreserve.com) and find us on Facebook!

### PrairieView Golf Club

PrairieView's bentgrass layout can be challenged from four sets of tees stretching to over 7000 yards, to test the skills and nerves of every golfer. Dramatic bunkering. Supreme conditioning. A fifteen-acre practice and game-improvement center. Superb dining and banquet facilities for outings and non-golf events. Warm and genuine hospitality. And views of restored dolomite prairie land that simply can't be found elsewhere. It's no wonder that PrairieView has garnered so many lofty recognitions and accolades. Call 815-234-4653 or visit [www.prairieviewgolf.com](http://www.prairieviewgolf.com) to book a tee time.

### PrairieFire Golf & Grill

PrairieFire blends cutting-edge golf technology with nature-centric décor providing a warm, welcoming place to socialize and relax. Designed in a "modern earth" style, PrairieFire highlights the environmental preservation efforts of the Byron Forest Preserve District with the premier golf experience for which PrairieView Golf Club has long been recognized. PrairieFire offers eight beautifully appointed, temperature controlled private hitting bays looking out onto a vast targeted range. No matter your skill level, there are digital Toptracer Range game modes to engage your imagination and keep you coming back. Perfect for parties. Great food and libations!! Book your bay today! Call 815-234-3473 or visit [www.prairiefiregolf.com](http://www.prairiefiregolf.com).

### Heritage Farm Museum

Take a step back in time to 1843 when Charles Wilbur settled a small parcel of land along the river. This land is now owned by the Byron Forest Preserve District and has been developed into a museum where visitors can see the way of life that was experienced in 1843. The museum is open daily April-October for free self-guided tours. Call 815-234-8535 x232 for guided tours.

### J. Weiskopf Observatory

Appropriately located on the third highest point in Ogle County, the observatory is open for public viewing of the stars, planets, and night sky every Tuesday and Saturday night from dark until three hours after dark in June, July, and August. It is open only Saturday nights, September through May. Hours are weather permitting. Call 815-234-8535 x216 for viewing conditions.

### Keller Education Center

This Center is a 'green' building featuring solar panels, wind turbine, water saving features, and fixtures made out of recycled wood, glass, and cement. This building houses our Preschool Program where dedicated staff teach kindergarten readiness and nature-related topics.

### Programs, Trails, Volunteers

Family programs, special events, and education classes are offered on a continual basis at all of our facilities. Over 35 miles of hiking trails are offered on over 2000 acres at our eight preserves. Volunteers are always needed and welcomed to assist with woodshop projects, preschool crafts, and in other areas. To volunteer, call 815-234-8535 x232.

## **Byron Area Senior Club**

The Byron Area Senior Club is looking for seniors, ages 55 and older, to join the club. The group was formed approximately 25 years ago by six couples: the Coffman's, Lingel's, Brinkman's, Cain's, Norton's, and Stukenburg's.

The club meets at the Byron Forest Preserve Jarrett Center the second Monday of the month for a potluck luncheon. The club supplies the meat and the members bring a dish to pass.

The dues are \$10 a year and there are informative meetings and entertainment a few times a year.

Want to get out of the house and have good conversation with other seniors and have a good lunch too? Join the group at the Jarrett Center.

If interested, you can come over for a meeting or call Vera Armour at 815-520-1215.

## Byron Schools Inspiring Excellence for All

Welcome to the Byron Community Unit School District 226—Home of the Tigers! The Byron School District through its professional and support staff members is dedicated to providing the highest quality educational services and extra-curricular opportunities for all students.

Our school district is comprised of three separate buildings: Mary Morgan Elementary School (PreK – 5<sup>th</sup> grade), Byron Middle School (grades 6 – 8) and Byron High School (grades 9-12). In all, the District educates about 1500 students annually.

Students in the Byron School district have access to many wonderful programs including, but not limited to, football, basketball, cross-country, wrestling, swimming, soccer, volleyball, track, dance, cheer, scholastic bowl, drama, spelling bee, journalism/yearbook, choir, band, Future Farmers of America, baseball, softball, student council, overseas cultural trips, etc.

Byron CUSD 226 academic, athletic and service programs are first-rate. All of our schools received “Commendable” status through the Illinois State Board of Education’s accountability system, and all are routinely ranked as some of the highest achieving schools in our region and throughout the State. Annually, Niche grades our school district very high, a grade of ‘A’ in 2022, and ranks us in the top 10% of the State of Illinois. This past year at a regional level, Niche also ranked our elementary school and middle school as the top schools (#1) in the greater Rockford region for their respective grade levels, while Byron High School was ranked in the top 3. In 2017, Mary Morgan Elementary School was awarded the United States Department of Education National Blue Ribbon Award for Academic Excellence.

**Enrollment (2022-2023):** Total – 1,480; Mary Morgan Elementary School – 650; Byron Middle School – 340; Byron High School – 490.

**Address:** Byron CUSD 226, 696 North Colfax Street, Byron, IL 61010.

**Telephone:** (815) 234-5491. District: Extension 4000; Byron High School: Extension 3000; Byron Middle School: Extension 2000; Mary Morgan Elementary School: Extension 1000.

**Superintendent of Schools:** Mr. Buster Barton

**School Year 2022-2023 Board of Education:** Christine Lynde, Board President; Mary Jo Cassens, Board Vice-President; Phil Kessler, Board Secretary, DJ Mumma, Rachael Muszynski, Beth Shenberger and Dan Reed, members.

The Board of Education meets the fourth Thursday of each month at 6:30 p.m. in the Board of Education Meeting Room to conduct business and establish policy for the administration of the School District.

At Hairy Cow Brewing Company, Ogle County's very first brewpub, we strive to make the best craft beer possible. But we're so much more. Whether you're hoping to snuggle up to a cozy fireplace with a steaming cappuccino this winter, or craving a cold beer by the river bank on a warm summer evening, Hairy Cow Brewing Company is the place for you. No matter the season, you'll enjoy amazing river views year-round while you...

- Enjoy homemade artisan pizzas with your family
- Order a craft cocktail or designer coffee drink from our full bar
- Meet your friends and try the newest variety of hand-crafted beers
- Select from our full menu of fresh, tasty, locally-sourced dishes

All of your favorites are served up by our friendly staff in a welcoming atmosphere you'll want to visit again and again.

We hope to see you soon!
